

Meat Packaging Yieldmaster® Seamless Meat Casings

Description

M&Q Packaging Corporation is the leader in the development and production of Yieldmaster® Seamless Meat Casings for the meat packaging industry.

Meat packers count on M&Q Packaging to deliver the highest quality meat casings in the most cost-effective and efficient way.

Our Yieldmaster® Seamless Meat Casings are an excellent choice for processed meat products that require an exterior covering for cooking, smoking, boiling or steaming.

Features/Benefits

- Is an excellent choice for use with sausage, ham, turkey or chicken rolls, roast beef, pastrami, corned beef or other processed meat products
- Provides a reliable, strong and tough solution for cooking, smoking, boiling or steaming
- Reduces purge significantly, while greatly improving the quality of the meat product
- Is ISO-registered, NSF-certified, Kosher, HALAL-approved and in compliance with FDA regulations

Applications

Is available in a variety of shapes and colors ranging from 250° and 400° casings in the following sizes:

- 4" x 4" square
- 4" x 6" rectangular
- D-shaped
- Cylindrical log-shaped

Can be used in pre-sliced and diced, cook-and-ship, cook-and-strip, or slack-fill applications

Is available in the following manufactured forms:

- Shirred
- Unclipped sleeves
- Heat-sealed bags
- Perforated
- Stuck, drilled and tied

Custom, engineered solutions are also available from M&Q Packaging Corporation.

The M&Q Advantage

Founded in 1956, M&Q Packaging Corporation not only has the ability to process different types of plastics, but also delivers precisely engineered solutions to various plastic applications. Our quick turnaround time, exceptional customer service, and superior value for the investment make M&Q the choice for custom-designed plastic packaging products.

M&Q Packaging Corporation is the number-one choice in many high-profile industries for the design, manufacture, and production of packaging solutions with standard and custom nylon, polyamide, polyester and polyethylene films. As a custom-manufacturer, we work closely with our customers in order to provide a finished product and solution that exceeds all specifications and regulations. We purchase only the highest-quality raw materials from our suppliers. Our Quality Assurance Team inspects each and every packaging product before it leaves our facility, guaranteeing that our customers receive only the best product from M&Q Packaging Corporation.
